Gentlemen,

Welcome to the 88th season of the Sheridan Park Golf Club. **Club dues are being raised this year for the first time in six years to cover annual increases the club pays for the GHIN system and to allow us to continue increasing tournament prize money.** We had great reaction to increasing prize amounts in 2021 so we're going to keep doing that.

We have numerous changes occurring with dates of tournaments, locations of events, and the 3rd Annual Nightmare at the beginning of October. Like last year, the Club will have sign-ups for all events online starting at the Spring Party and in the clubhouse starting once the course opens. We're also planning a weekly email to improve overall communications.

The major changes to our tournaments are with the Senior Club Championship and the Invitational. The Senior CC will now be a two day event **Saturday, July 9 and Sunday July 10th**. The Invitational will be on **Saturday, June 25th and Sunday, June 26th** and be member/guest (**no more member/member teams**). Also, note that the Invitational will occur on Saturday and Sunday as requested by many of the members. There will be a separate sheet available soon with further information about the Invitational. The Spring Party, Steak Roast, and Fall Party locations are back at the NOCO Pavilion this year.

You'll see an increased focus this year on ensuring members post all their scores in the GHIN system. All Club Members are required to post all scores to ensure that every member's handicap is a valid indicator of their playing ability which is key to having fair and honest competitions.

Lastly, **Sunday, October 1st** will be our 3rd Annual Nightmare two-man scramble. This event has "**nightmarish**" pin positions and some other rules that make this event unique and a fun change of pace. We will have more information about the format and cost once the course opens.
