You must adjust scores to the Net Double Bogey maximum prior to posting. The EASIEST way to do this (and the way the Club prefers) is to post scores using the Hole-by-Hole method. SPGC - HOLE IN ONE POOL

On Sunday, July 2nd, 2023 Norm Nieminen became the first club member to card a Hole-in-One in the 2023 Club season. I was told that it was with an 8-Iron from around 150 yards. If you remember that day, there was heavy rain that afternoon. The rule is, you must play a complete 18-Hole round for the Hole-in-One to be valid for the Pool money. So, Norm, Gerry, Balls and Mark played through rain, sleet, snow, hail & high winds, to get it completed. Well, maybe they only played through some rain. Congratulations Norm, you will receive your share of the 2023 Hole-in-One Pool Money.

NOTE FROM THE PRESIDENT: A reminder, the USGA has changed how tees are rated and used. Traditionally, Sheridan's **Blue** and White tees were Men's tees and the **Red** tees were Ladies tees. The USGA's Tee it Forward initiative is intended to improve the pace of play and make golf more fun for everyone. Last year we engaged the USGA to help us with placing new forward tees and they are marked as **Gold** tees. The USGA then re-rated all sets of tees. There are ratings for Men playing from the **Blue**, White, **Red**, and **Gold** tees and ratings for Ladies playing the **Red** and **Gold** tees. So, the traditional thought of the **Red** tees being ladies tees is gone. We periodically hear comments from Club members that the **Gold** tees should not be shorter than the Ladies (**Red**) tees. The new tees and course ratings allow Men of any age four tee choices and Women of any age two tee choices. So no, the **Gold** tees are not "Senior tees" and the **Gold** tees are not easier than the "Ladies tees". The USGA ratings are posted in the Locker Room and are on our website at this [LINK](#)

HOW TO PROPERLY REPAIR A BALL MARK

A few extra seconds is all it takes to keep the putting greens looking and playing their best !!!

PLEASE TAKE THE EXTRA TIME TO FIX YOUR BALL MARK AND A FEW OTHERS.

CLUB MEMBERS CAN MAKE A HUGE DIFFERENCE BY DOING THIS, NOBODY ELSE WILL !!!

CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark

WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

FINAL TOUCH

Use your putter to lightly tap down the mark. **Fix other marks in addition to yours.**

DIVOT REPAIR: WHY & HOW

There has been a glaring lack of divot repair lately (Not necessarily our Club members). Please replace your fairway divots. If you see a fresh one, unrepaired, please fix that. Properly repairing divots helps the turf recover as quickly as possible and helps to restore a smooth playing surface. An unrepaired divot can take months to heal, and it may never fully recover. If the divot is intact and there is soil still attached, simply replace it in the correct orientation and firmly press the divot into the ground with your foot. **Repairing our divots is an easy way for us to help take care of the course.**

PLEASE DON'T REMOVE YOUR BALL FROM THE HOLE WITH YOUR PUTTER HEAD.

If you can't reach down to get it, please ask someone in your group to, or order this: [LINK](#)
