

HOLE 1 – All roads including the driveway and parking lot of the NOCO Pavilion and Ensminger Rd (behind the green) are Out of Bounds. Ball Drop area west (left) of water at the footbridge. The bare ground behind the left sand trap is Ground Under Repair.

HOLE 2 - Fence to right of tee, use obstruction rule.

HOLE 3 - Roads to right of and behind green (to be identified by white line) are Out of Bounds. The mound (berm) lining the right side of the rough is not Ground Under Repair.

HOLE 5 - Stakes to left, edge of water, road to left is Out of Bounds. Fence behind green is Out of Bounds. No relief

HOLE 6 - Fence posts on left mark Out of Bounds (NO swing relief from fence posts).

HOLE 7 - Fence posts on left mark Out of Bounds (NO swing relief from fence posts). Water to right is lateral hazard. Berm to the right of fairway (approximately 280 from tee) is considered Ground Under Repair (2016)

HOLE 8 - Road to left (marked by white line) is Out of Bounds. Ball on stones gets no relief.

HOLE 9 - Stakes to right of and behind green as well as Parking Lot are Out of Bounds.

HOLE 10 - Road and sidewalk on right is Out of Bounds. Fence south of Club House (enclosing golf carts) is Out of Bounds. This includes cement base of fence. Fences north of Clubhouse are protective - this includes the practice green. Protective fence behind the green gets relief.

HOLE 11 - Road on right (Sheridan Drive) is Out of Bounds. Fence behind green is protective. Road behind green is Out of Bounds. Heavy grasses to the left of fairway and rough are considered a lateral hazard. Drop nearest point of entry. Ball located on grass rear of green between fence and street (East Park Dr.) is considered in bounds and player may take 2 club relief inside fence no nearer to hole.

HOLE 12 - Hole #12 will be lined entirely in YELLOW (Water Hazard). Ball in water regardless of entry point should be played from Drop Zone (see below) or re-tee. Drop area for balls landing in the water hazard off tee shot (whether directly in water or off a tree that is within the hazard) located on other side of the water should be played in designated Drop Zone at the end of

the cart path on other side of the water. A ball that lands on the other side of the water but rolls back into the water must be played either from the water or from designated Drop Zone.

HOLE 13 - Road behind green is Out of Bounds. Fence behind green is protective.

HOLE 14 - Hole will be lined all RED (Lateral Water Hazard). This includes the entire work area (Maintenance Bldg.) which will no longer be considered out of bounds. Cement bags lining water hazard are part of the hazard. This is a lateral water hazard the entire length of the hole. A Drop Zone adjacent to Foot Bridge should be utilized in the interest of pace of play. Any ball resting on any part of Red Line must be played as in hazard (no grounding of club).

Ball in Water: If all members concur that ball has crossed the hazard on the left side of the water and has then bounced or rolled into water, player may drop at nearest point of entry and take relief with one stroke penalty to be assessed. Player is entitled to relief even if he cannot identify his ball in water. Again, all players must agree. A ball coming to rest against fence which encloses maintenance building or against foundation of maintenance building does not get relief and must be played as it lies or as an unplayable. Ball coming to rest inside or against fence protecting weather station gets one club relief no closer to the hole. Fence to right of the green is protective. Roads right of and behind green are Out of Bounds.

HOLE 16 - Fence to left is Out of Bounds. Road behind green is Out of Bounds. Guard rail behind green is an obstruction. Drop area located on tee side of the bridge for ball assumed lost in trees to the left.

HOLE 17 - Roads on left and behind green are Out of Bounds. Staked area from road to creek is Out of Bounds. Water from tee to Grass Bridge/Out of Bounds Stakes is LATERAL hazard. Fence to left of fairway and the green is protective. Bare ground behind green is Ground Under Repair. On a tee ball hit to the left, unless player can see his ball from the tee he should assume it lost and hit provisional ball. The area of the creek between the out of bounds stakes will be considered Out of Bounds.

HOLE 18 - Fence behind the green is protective.

Local Rules revised 5/6/16
