ON THE TEE

SCOTT WILSON - BOARD MEMBER

Club Member since 1991

Board Member since 2020

Self-appointed "Director of Marketing"

Going into my 30th year as a Sheridan Park member (yes, I am that old) I decided to join the board late last year with the idea that rather than sit around and complain, that I could instead be of service to the club I love and have belonged to since

I was 18. I had several goals in mind that I believed that I could help the club achieve.

First and foremost was to help grow our sponsorship. Over the last few months, in a short window, we were able to add twelve new sponsors for the season and with a longer lead time I believe we can do much more for next season.

I urge each and every club member to **PLEASE PATRONIZE OUR SPONSORS**. They will be listed on our website and in our newsletter every month as well as on our social media platforms. Not only visit our sponsors, but **please take the time to find the Owner or Manager and let them know you are from Sheridan Park Golf Club and that you appreciate their sponsorship**. This will go a long way toward them renewing their sponsorships for years to come!

CLUB CHAMPIONSHIP ELIGIBILITY

Members must post a minimum of three rounds at Sheridan, and five rounds overall, to be eligible to play in the Club Championship.

These rounds must have been played in the 2021 season.

LOCAL RULES

The Club's Local Rules have been updated and there are a few changes - please read the updated Local Rules at the following link:

[Local Rules Link](#)

There's also a large ICON on the Club website to make it easy to pull these up from your phone anytime, even while on the course.

EVENT NO-SHOW OR WITHDRAWAL

If a member of the Club fails to show for an event, or withdraws from a multi-day event, they will be required to either address the Board at a monthly meeting, or submit a letter to the Board, explaining why they failed to show, or withdrew. The penalty for an infraction shall be ineligibility for that event the following season.

MEET JOSH EDHOLM

Owner of **The Grill at the Dome** and Club Sponsor

By James Duggan

Friends Gather Here

“Families are the compass that guides us. They are the inspiration to reach great heights, and our comfort when we occasionally falter.” - Brad Henry

This month I had the good fortune of speaking with another of our long-standing sponsors and supporters, Josh Edholm. Josh who, along with his dad, John, is owner and proprietor of the **Grill at the Dome** on Brompton Road in the Town. Together they have operated The Grill for over 20 years and have nurtured these popular sports themed bistro in a fashion befitting their close-knit family. More often than not patrons are greeted at the door by one or the other with a firm

handshake and a sincere “welcome back”.

We welcome them back from what Josh laments as the toughest year of their twenty years of serving high quality foods and ample beverages. Covid 19 was especially unkind to restauranteurs and restrictions forced the Edholms to shut down for five months. Since reopening Josh indicates that reliable help has been difficult to find and he, himself, has returned to the kitchen on a fairly regular basis. As we spoke, I watched as patrons began strolling in for the lunch hour and I was warmed with recollections of the easy flow and good foods we always enjoyed at the Grill. Its eclectic menu that includes delectable smoked meats from Josh’s personal smoker, great wings and burgers (try the Banana Pepper Burger) and a smashing fish fry are typically served by an engaging and attentive staff.

Josh and his dad, a former chemist and Viet Nam vet had envisioned such a venture for some time. As is often the case, Josh had always enjoyed cooking and tended bar throughout his college years in Fredonia, so it became a natural progression for father and son to pursue a business of their own. For several years they ran the concessions at both Brighton and Sheridan Golf courses, but Josh felt limited by the size and seasonal scope of those facilities. A year after the Dome opened, the restaurant became available, and the two partners begot this gem in the center of town.

Growing up for the first eight years of his life on Dexter St. in the City of Tonawanda, Josh followed in the footsteps of his older brother John who, not surprisingly runs Sportzone, a state-of-the-art golf simulator located at the Dome. The two became involved in hockey and golf at an early age and thus began Josh’s lifelong love for the sport he continues to play - hockey at the highest level of local leagues. Playing youth hockey throughout the area, Josh also played interscholastically at Kenmore East and Fredonia where he carved a reputation as a rugged defenseman of whom opponents were wary of venturing into corners. He still smiles when reflecting on how much he enjoys the game.

We spoke of family which is very apparently the cornerstone of the Edholm legacy. His mom and dad have been married for 52 years and relish the fact that their two sons and four grandchildren are nearby. Josh beams when talking of his two daughters. Dayna, a student at Keuka College is a standout volleyballer and, along with younger sister, Erika, at Sweet Home were both named respectively to the Section VI all-star teams. Josh reflected on entire family vacations to golf destinations near and far including Pebble Beach, Ireland and Scotland and, in the near future to Kiawah. A touching moment occurred when Josh spoke of visiting Sweden, the family’s national origin and of his great uncle’s gravesite at Normandy Beach. A family, thus united in its history, its industry, its sport, and its love.

Sheridan Golf is fortunate to have The Edholm family as our friends and, as we look forward to a continued relationship, we also look forward to the long-standing tradition of warm greetings and enjoyable dining.
