News and Events Update

Monday,
August 1, 2022

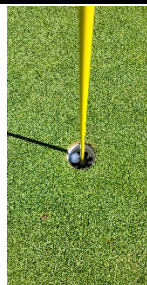

THE 2022 SUMMER PARTY IS WEDNESDAY, AUGUST 10th

We strongly encourage all Club Member's to attend the Summer Party. There will be updates provided on the state of the Club and on upcoming Club events. A **Beef or a Chicken** dinner will be offered. There will be door prizes as usual, and this is a great opportunity to meet other members.

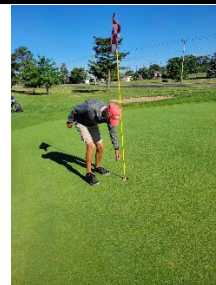

POSTING OF SCORES

All 'Acceptable Scores' must be posted in a timely manner. What is an "acceptable score" you ask? Scores for rounds that meet all the requirements described in this video ([LINK](#)). You must adjust your scores to the Net Double Bogey maximum prior to posting them. The easiest way to do this (Club's preferred method) is to post scores using the Hole-by-Hole method (it automatically adjusts individual hole scores to Net Double Bogey).

HOLE IN ONE

The Club had its' first Hole-In-One in our 2022 Hole-In-One Club. On Saturday June 30th, **Robert Trimper Sr.** stepped up to the 148 Yard 8th hole with 8-iron in his hand. The ball was struck pure, never leaving the flagstick. It took a bounce in front of the hole, and the proceeded to roll in. Congratulations Bob, I was happy to be a witness. Bob Cohan

LOCAL RULES UPDATE

(6/9/22)

- We will be playing the ball down this year. (Exception: any ball or stance in the winter kill spots in the fairway only will be lift, clean and place). No relief in the rough.
- Hole #6 bunker is ground under repair. Relief is closest point from the ball to outside the bunker not nearer to the hole.
- Hole # 14, player, with the assistance of the group determines the ball crossed the hazard and hit land and then lands in the penalty area. Player must now identify his ball and proceed under the rules of penalty areas. If the player cannot identify his ball, then they must proceed to the drop area.

TENTATIVE DAY FOR AERATION IS SET FOR AUGUST 22ND

ADOPT A HOLE

Some club members have taken it upon themselves to "Adopt a Hole". We appreciate their work and hope that more members will follow Glen Gast's lead. If you don't want to, officially, adopt a hole, we encourage all members to do "a little extra". Extras would include: Fixing your own divots and some others; Fixing your own ball marks and fixing a few others; Pick up trash; Pick up broken tees in the tee boxes and put in trash. I know it doesn't sound like much, but it seems to have made a difference this year. There is generally less trash around, the tee boxes seem to have less broken tees, and the greens have less ball marks. This can only help our case when discussing the course with the town.

USGA - Tips & Suggestions for Improving Pace of Play

Playing at a better pace is not about hurrying up or rushing around the course. It is simply about being more efficient with your valuable time, as well as everyone else's. [Here are some recognized tips for improving pace of play:](#)

Minimize your time on the tee: On the tee it is usually acceptable for players to "hit when ready."

Plan your shot before you get to your ball: Once you are off the tee, think ahead. Determine your yardage and make your club selection before it is your turn to play. Very often, you can do this while others are playing, without disruption. If you take your glove off between shots, have it back on before it is your turn to play. Even a small step like this saves time.

Keep your pre-shot routine short: Pick your line of play once and trust yourself. Try to take no more than one practice swing, then set up to the ball and play your shot. Most importantly, be ready to hit when it is your turn. Be efficient after your shot too. Start moving toward your next shot promptly.

Aim to play in 20 seconds: From club selection to pre-shot routine to execution, strive to hit your shot in 20 seconds when it is your turn to play. Help keep play moving at a brisk pace.

Rules permit players to exchange yardage info without penalty

When sharing a cart, use a buddy system: Don't wait in the cart while your cartmate hits and then drive to your ball. Get out and walk to your ball with a few clubs. [Be ready to play when it is your turn and then let your cartmate pick you up.](#) Or drive to your ball after you drop your cartmate off and then pick him or her up after you hit.

Be helpful to others in your group: Follow the flight of all tee shots, not just your own. Once in the fairway, help others look for their ball if you already know the location of yours. Volunteer to fill in a divot or rake a bunker for another player if needed. Be ready to attend the flagstick for others.

KEEP UP WITH THE GROUP IN FRONT OF YOU: Your correct position on the course is immediately behind the group in front of you, not immediately in front of the group behind you. Arrive at your next shot just before the group in front leaves the area in front of you. [If you are consistently not able to keep up and a gap opens in front of you, invite the group behind you to play through, irrespective of the number of players in the group.](#)

Be efficient on the putting green: Mark your ball and lift and clean it when you arrive at the putting green so you will be ready to replace it when it is your turn to play. You can usually line up your putt while others are putting, without disturbing them. Leave your clubs on the side of the putting green closest to the next tee and leave the green promptly after holing out. Wait until the next tee to record your score.

Remember that picking up your ball is permitted by the USGA Handicap System: In Non-Tournament Play, the maximum hole score for posting purposes is a net double bogey, equal to double bogey + any handicap strokes you receive based on your Course Handicap.
