

Individual President's Cup Match Play Tournament

This document includes the brackets for all four flights and the contact information for all participants.

It is each Member's responsibility to contact their assigned opponent to schedule and complete the match as promptly as possible. The Tournament Committee will put target dates for the completion of each round and matches that are not completed by the target dates may be decided by a coin flip by the Tournament Committee to keep things moving.

Standard USGA Match Play rules must be used. For each Match, use the Weekly Handicaps posted in the Locker Room to determine who has the lower handicap and the difference between those Handicaps is used to handicap the Match. For example, if player A has a 10 handicap and player B has a 12 handicap, the difference is 2 strokes so Player B gets 1 handicap stroke on the two hardest holes (the #1 and #2 handicap holes on the scorecard).

We recommend that all matches be played from the White Tees using the White Tees handicaps. However, if both players typically play the Forward (Gold) Tees and both agree to play the match from the Gold Tees, they can do so using their Gold Tees Handicaps.

If a Match is tied after 18 holes, the tie must be broken in a playoff. Please ask the Starter to go out again on the 1st tee as soon as possible. If the 1st tee is backed up, ask if you can go out the back 9 to break the tie. Continue playing until one person wins the match. NOTE: The Starter is under no obligation to put you out immediately - so please ask nicely and do not pressure them.

The Winner should write the result on the Bracket Sheet in the Locker Room and contact their next opponent immediately.
