### ON THE TEE

#### BOB COHAN - BOARD MEMBER

I have been a Club member for almost 20 years. I joined the Board in 2019 to try to help improve an already great club. Many of our older members have moved on, due in part to Sheridan's length, to Brighton, where the holes are a little shorter, and the hazards are not so punitive. The Club also lost some membership in 2020 due to COVID-19. So, in my opinion, we needed to reimagine some aspects of the Club to draw interest from new and younger players to successfully carry it on into the future. The improvements that **Mike Zimmer** has made to the website great, and I appreciate the hours of personal time he has put into it !!! One of the first things that struck me when I joined the Board, is that there are quite a few people willing to dedicate a large amount of their personal time to benefit the Club. By promoting our social media pages, we have pushed our Facebook Group membership to almost 100 people. We have made the club information more accessible by the improved website, Facebook, and this Newsletter. I began putting together the first Newsletter in March 2021. Judging from the feedback that I have received, the monthly newsletter has been a success. I say "put together" because it wouldn't be possible without the help of other Board Members. We are extremely fortunate to have **Jim Duggan** to compose the monthly "Sheridan Birdie". His stories about members, former members, and sponsors are worthy of broader publication, and will be a great asset for future members to learn about the Club's past. One other "Shout Out" I feel must be made is to **Scott Wilson**. When I joined the Board, we had four or five sponsors. We now have **TWENTY**, and Scott plans to recruit more for the 2022 season. Personally, I'm a Bridge Rehabilitation Contractor, I'm married and have two daughters, ten and thirteen. For my time served on the board to be successful, I'd like to be at least a small part of the Club's present and future success. I treasure the acquaintances and friends I have made through the club, and hope to see all of you out there enjoying our beautiful Municipal golf course. And finally, **GO BILLS !!!!**

### INDIVIDUAL PRESIDENT'S CUP

The Individual President's Cup results: - we had three brackets this year. A-Bracket has one match left, the B-Bracket Winner was Bob Lombard, and the C-Bracket winner was Wayne Hitt. There will be playoff to determine the overall winner.

### INDIVIDUAL PRESIDENT'S CUP

Congratulations to Bill Lindner and Jim Henesey. They were 1-Up winners over Eric Nolle and Dave Notaro.

# THE SHERIDAN BIRDIE

## SHERIDAN PARK GOLF CLUB

(Getting to know past and present members and sponsors)

### MEET: BRIAN ENGL SON, HUSBAND, FATHER, CLUB CHAMPION

By: James Francis Duggan

#### “Youth is Served”

Always dream and shoot higher than you know you can do.  
Don't bother just to be better than your contemporaries or predecessors.  
Try to be better than yourself.  
-William Faulkner-

On Monday last I had occasion to dine and sip with Sheridan's newest Club Champion, Brian Engl. Over three days of less-than-ideal conditions this engaging young man averaged slightly over 74 to convincingly snare the most coveted spot on our Championship Board. His ten-stroke margin of victory ranks as an accomplishment seldom witnessed in the storied annals of our rich Club history and speaks to a consistency of play that is the mantle of great players at every level.

Our host at the North End greeted us warmly at the door and seemed to recognize our new champ immediately, curiously inquiring as to where he had played today. The answer to that question on most days of the week would be, for Brian, “nowhere”. What mortal man plays an average of 27 holes a week, practices his game on a basement putting mat, played hardly any golf through last summer's pandemic and casually eschews the notion of practice. In fact, he noted that his two final rounds of the Championship were the first time all season that he played golf two days in a row.

A Town resident and denizen of the fertile Zimmerman/Traverse neighborhood, Brian attended St. John's in his elementary years and graduated from Kenmore West, Buffalo State and Canisius College in 2008 with a Master's Degree in Economics. Since graduating, he has plied his trade with the Office of Veterans' Affairs. A member at Sheridan since 2008, he referenced rounds with the Knott brothers (Mike and Liam) and Dan Misko. These days he gets in early weekend rounds with Glen Gast and Jeff Frey. These early rounds allow him the opportunity to share time with his beloved Ashley and daughters, Melody (5) and Maura (3) in their West Seneca home.

One wonders if it is not practice that makes the young man prosper, what then? Learning the game from the age of 8 in the tutelage of the best coach he ever had (his Dad), Brian was a course rat at Brighton and cited Jim Bartkowski as an individual who helped him hone his passion for the game. His high school team won, at best, 3 matches in his four years and Buff State didn't have a team. Though not having had the opportunity of playing with Brian, this writer can only assume that golf is his natural gift which is bolstered by a unique mental approach to the game. When asked about his mindset going into the final round and leading by 3 strokes, his response was enlightening - “ I had been hitting the ball well, was playing head-to-head with my closest competitors, and ‘what the hell, it was only golf’.

Brian's self-effacing countenance and matter of fact approach to the game reflect his approach to life and family. His responses are terse and insightful -“we need more young members, better sand, green reconfiguration at 11, 13 and 16 and a suitable clubhouse”. His round of 67 in a match with Joe Gugino ranks as his lowest and more memorable and his rounds with Jon Benson have always proven educational and enjoyable.

Brian Engl is an engaging young man whose humble acquiescence to his role as champion is a shrug of his shoulder and an inherent determination to try to be better than himself.

Well on his way, a champion indeed.

## LOUIE'S HOT DOGS REOPENING APRIL 1, 2022

Fans of loganberry iced tea, curly-Q fries and charcoal-broiled, foot-long hot dogs have reason to cheer:

Angelo Turco has changed his mind.

Three months after Turco abruptly shuttered Louie's Foot Long Hot Dogs, the Town of Tonawanda culinary

landmark owned by his family since 1951, he told The Buffalo News he's reached a deal with a new business partner to reopen it next spring - on April Fools' Day, no less.

Turco's cousin Aaron LaMarca will take over day-to-day operations while Turco and his sister Debbie Lopian train him in the "Louie's way" and help out at the restaurant for at least the next year or two, Turco told The Buffalo News on Thursday.

"I'm going to slip out of retirement for a little bit. Next spring, I'll be back behind the counter," Turco said. "We're going to make the transition as seamless as possible. We're going to carry on business as usual."

LaMarca said he reached out to Turco after reading about the restaurant's closing in The News in May. He said he'll do his best to maintain the familial atmosphere and high standards of food quality and customer service for which Louie's is known.

"I'm not going to go in there right away and try to reinvent a wheel that's been 70 years in the making," LaMarca said in an interview.
