

2009 was both the Club's 75th anniversary and yet another fantastic year of competitive golf and great times. Highlights include John Scive's 3rd Club Championship, Jim Mohan's 3rd consecutive President's Cup tournament victory, and Sheridan teams sweeping both the WNY Publinks A and B Team Championships for the 3rd consecutive year and winning the Director's Cup match play tournament against the Brighton Club for the 7th consecutive year.

Think The Course Played Harder?

- Our club's average USGA handicap index is up 2.1 from this time last year. 58 club members lowered their handicap while 136 have higher handicaps. The sculpting and narrowing of several fairways and the 'fingers' protecting several greens definitely had an effect.
